Alumni invitation by Comité 18:

Dear All, Dear All,

Here comes the form that we were all waiting for. Challenge subscriptions are here below which means that this day is the fifth best in the year right after the 4 days of Challenge.

This Challenge will take place from March 22nd to 25th and we can assure you that it will be the best Challenge of the year 2018!!

We hope to see you all more motivated than ever and with all the love that you can carry in your bag (honestly you won't need anything else).

/!\ IMPORTANT /!

Registrations will **close on the 25th of February**, after that it will be too late.

Last year it was sold out, so if you want to be sure to have a spot don't wait and do it right now! :) Don't forget that a registration is not complete until the payment is done.

Wishing you wonderful snowy days & we can't wait to see all of you!!
