

Dear Challenge supporter,

We would like to thank you for your trust and support to Challenge EPFL-ETHZ 2016.

This 25th edition was an outstanding success. Both schools were reunited once again and broke the Röstigraben in a unique and historical edition.

More than 70 ex-committee members from both schools gathered again for this special occasion, the eldest being Mr. Etienne Schüpfer, 1st Zurich Challenge President (1993).

Our two schools' presidencies were also present with Prof. Lino Guzzella, President of ETHZ and Prof. Pierre Vanderghenst and Prof. Andreas Mortensen respectively Vice-Provost for education and for research of EPFL.

And of course on the sports side, we had Mr. Riet R. Campell Director of the Swiss Snow Sports Association (SSSA) there as well to encourage and support both institutes in their dedication to the values of sport.

After 3 days of competition including a slalom, inferno, olympic games, a boardercross and a new exclusive Challenge triathlon, we were very happy to announce that Zurich won this 25th edition!

Thank you once again very much for your commitment to Challenge EPFL-ETHZ 2016.
