

Annual Report 2016

Challenge EPFL-ETHZ Alumni

Stay connected. #challengeneverends

25th edition at Challenge EPFL-ETHZ XVI

It was a very special and emotional 25th Anniversary edition. Challenge remembered where it came from, what it went through and certainly where it wants to go.

#challengelove #challengeneverends #friendshipneverends
#WTFisRöstigraben

DISENTIS

It was the 25 years Silver Edition Challenge and it was extraordinary. The atmosphere was created by 100 motivated students, 156 (!) alumni challenger, thereof 87 former committee members of 15 different editions, all together with in a friendly competition between EPFL and ETH Zürich. Check out the [closing remarks of comité 16](#).

Pictures by Mathieu Veriter & Curdin Wüthrich

As usual, saturday night Challenge Alumni was there to get the best out of the crowd, polished for saturday gala night, and organized a (kind of) professional photo shoot on the scene.

And Zürich did win! Thanks a lot to a dedicated OK XVI caring lots about what made Challenge a loved tradition making this revival possible!!

Challenge Alumni TASTELAB Gala Dinner

EX-OK Fondue

The event is organized by a new committee every year. We love to tell them stories about the old days and invite them to fondue in december where 40 former & current OK members showed up last december.

Guardians of the history

The collection of Challenge guide is always kept up to date by us as well in our closed facebook group where you might find your pals also tagged on the cover picture of your Challenge. Feel free to use it and get connected.

A message from Challenge 17 comité:

SPREAD YOUR WINGS AND HELP US TO FLY

A Challenge Angel is a person not only wishing to support this everlasting event by contributing financially to our project but also and more importantly to spread the Challenge love over the boundaries of hate and war.

Not everyone is blessed with the good education and situations us challengers are happy to be in. We would like to give away a part of what we get with the ChallengeAngel concept to the Red Cross (<https://www.icrc.org/en>) to help them a little bit on their way to fulfill their projects. Not only war and sexual violence cause severe problems in other parts of this beautiful world, but also hunger, thirst and the mere lack of education that sometimes even seems tedious to us. Help us to spread our love to make the world a little bit better today.

Our goal is to gather enough Angels to reach the full potential of a gold sponsorship (i.e. 6'000,-) of which 20% will be donated to the Red Cross to fulfill a good cause in the world!

Support our cause and **donate now!**
challenge17.ch/ChallengeAngels

From Lausanne with love

This year marked the official start for our Lausanne alumni peers of a long term gathering point, channeling the motivation and energy ever so present in all Lausanne's challenge alumni:

The Challenge EPFL Alumni antenna

This new birth therefore marks the start of a new era, where we will work hand in hand, to gather former participants, forever strengthening the bonds between our two schools and perpetuating the never-ending tradition of breaking the rösti-graben!

Do you want to join, motivated to help, questions what this is all about? Get in touch: alumni.epfl@challenge.swiss

Challenge '17 registration is open

Taking all this momentum Challenge has built up during the last 25 editions you are invited to see how the journey continues! Find all details for alumni challenger on challengealumni.club. The booking will close on **February 10th**.
