# ETH Alumni MAS MTEC

## The Alumni Group for Graduates of the MAS ETH in Management, Technology and Economics.

### ETH Alumni

The ETH Alumni MAS MTEC is a group of the ETH Alumni Association. It was founded in 2005 with the purpose to offer a subject-specific group of alumni for graduates of the «Master of Advanced Studies in Management, Technology and Economics» (formerly «Nachdiplomstudium in Betriebswissenschaften/BWL»).

The ETH Alumni Association is the organization of all graduates of ETH Zurich. It offers the Alumni of ETH Zurich the possibility to stay connected with the Alma Mater after graduation. The ETH Alumni Association encompasses a network diversity of local groups, trade associations, subject-specific interest groups, clubs and international chapters. On behalf of the University, the ETH Alumni Association manages the Alumni database and offers lifelong access to the ETH address database and a free email forwarding.

Members of the Alumni MAS MTEC are automatically members of the ETH Alumni Association.

### MAS ETH MTEC

The Master of Advanced Studies in Management, Technology and Economics (MAS ETH MTEC) is aimed towards young professionals with a technical or science degree from the industry and services sectors. The graduates distinguished by the variety of their first course of studies bring along a wide spectrum of interest and openness towards other specialised disciplines and study backgrounds. Issues and challenges in the area of management as well as the personal professional environment are of common interest.

### Networking

The Alumni group MAS MTEC offers a platform for the exchange of experience, as well as a network for building and maintaining professional and personal relationships. It also maintains a close contact with the management of studies MAS ETH MTEC and acts as a link between current and former students.

### Events

The Alumni group organises 4-5 events per year, including fascinating lectures, seminars, company visits and social events. At receptions or dinners, there is time and space, to interact with each other and to make new acquaintances.

### Added value

The ETH Alumni Association offers a platform to keep lifelong contact with study friends or to locate and get in touch with other ETH graduates.

All members of the ETH Alumni Association profit from our benefits such as Career Services, access to ETH-Bibliothek or project Neptun.
