Open Access: New Funding Options 2023

Marius Stricker

8 February 2023, Webinar via Zoom

New knowledge in 10 minutes

- ❖ get to know the ETH library's new Open Access funding opportunities for 2023
- ❖ learn how to apply for Open Access funding

Table of content

- 1) APC funding: Overview
- 2) New funding opportunities: Details
- 3) Institutional funding outside agreements
- 4) Q&A

Funding Overview

Routes for funding

| Gold Open Access | Hybrid Open Access | |
|------------------|--------------------|-------------------|
| ✓ | ✓ | agreement-based |
| ✓ | ✗ | without agreement |

ETH Library documentation

- agreements include *Gold and Hybrid* journals; some only gold, some only hybrid
- partially APC discount for Gold Journals → check before submitting
- no application form required for journals that are part of an agreement
- OA inclusion with CC licensing during submission process (mostly)
- corresponding authors are eligible for funding

New Agreements since 2023

ACS
Chemistry for Life®

Canadian
Science
Publishing

SOCIETY FOR GENERAL
MICROBIOLOGY

OXFORD
UNIVERSITY PRESS

SPRINGER NATURE

PORTLAND
PRESS

New Agreements since 2023

American Chemical Society | ACS

Journals included

Gold and Hybrid journals (75)

- 138 articles covered by agreement
- increasing quota until 2025 \approx 25% p.a.

Deadline

acceptance date 2023
