

Coffee Lectures

# How to proceed for funding of publication fees with SNSF grants

Marius Stricker | E-Publishing | November 15, 2023

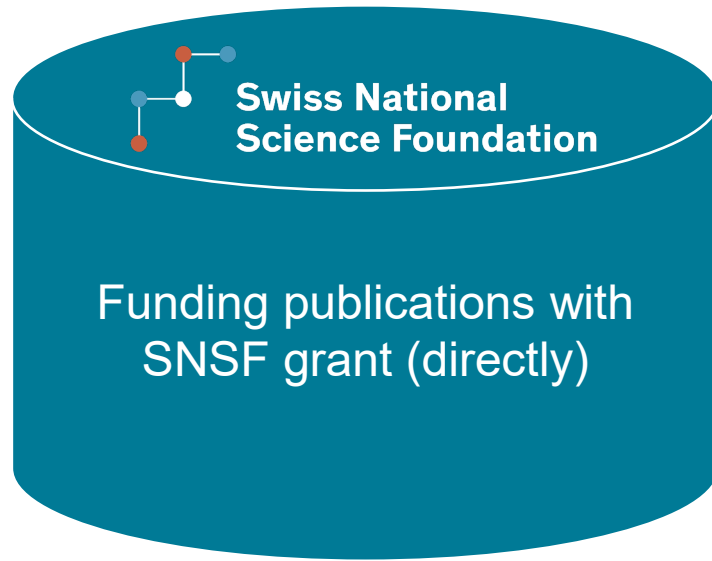

# New knowledge in 10 minutes:

- Get to know which articles are funded by the ETH library and which are funded by the SNSF
- Become familiar with including/excluding SNSF funded research articles

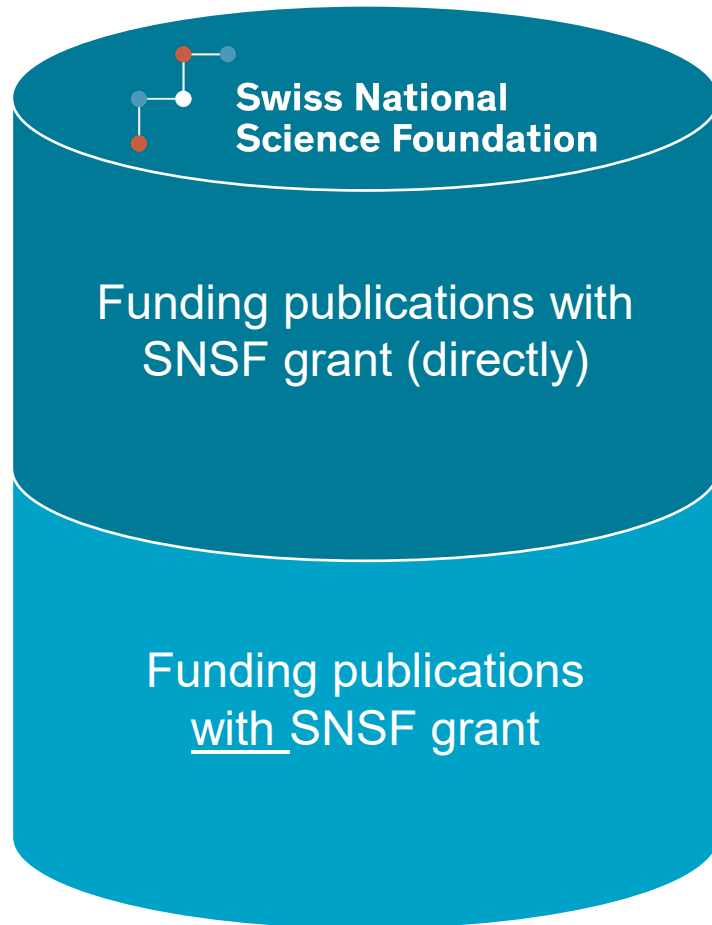

# Agenda

- 1) APC funding – optimizing allocation
- 2) Funding schemes SNSF vs. ETH Library
- 3) Method to find your APC funding

# APC funding – optimizing allocation

# APC funding – optimizing allocation

# Funding schemes SNSF vs. ETH Library

Swiss National  
Science Foundation

- ❖  $\geq 1$  author per publication with SNSF grant
- ❖ Peer reviewed research articles
- ❖ Gold Open Access journals
- ❖ No hybrid journals included (but accepted as OA)
- ❖ APC funding after project has ended  $\rightarrow$  independently of project budget
- ❖ ChronosHub (platform)

<https://oa100.snf.ch/en/funding/journal-articles/>

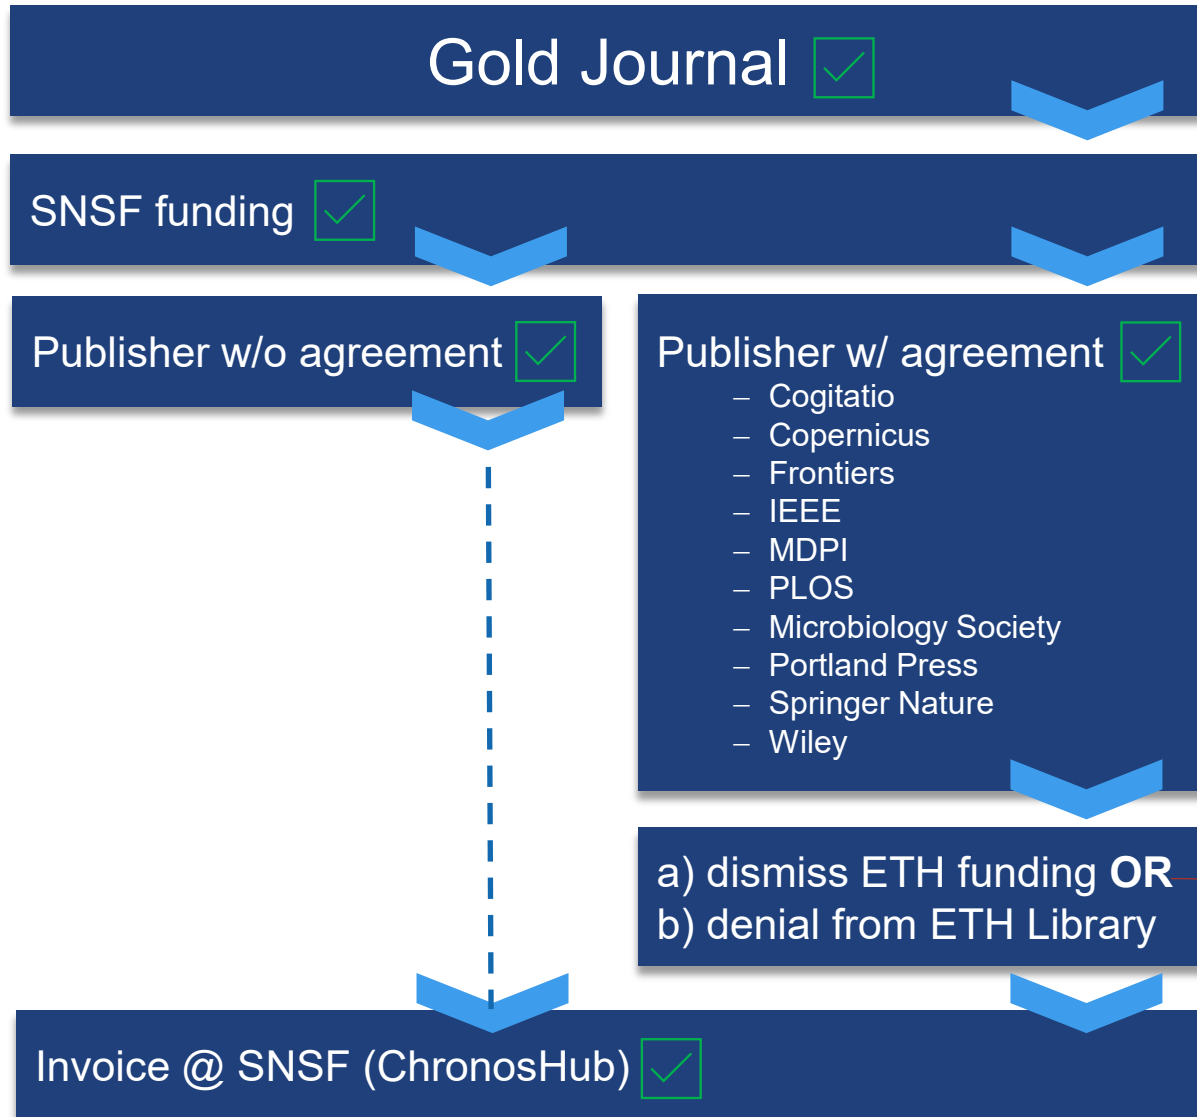

$\rightarrow$  Conclusion Gold APC expected to be funded via SNSF whenever feasible

## ETH zürich

- ❖ Corresponding author = ETH member
- ❖ Peer reviewed research articles
- ❖ Gold Open Access journals
  - └ Agreement / manuscript-based application
- ❖ Hybrid journals only covered due to existing agreements ( $\rightarrow$  Open Access Manual), otherwise excluded
- ❖ Various publisher-operated platforms / workflows
- ❖ Open Access policy and APC policy (as of January 2024)
