Accessing personnel development and leadership learning

In the future

via the Lifelong Learning Hub LXP

(in addition to traditional communication)

The screenshot displays the Lifelong Learning Hub LXP interface. At the top, it says "Welcome to the ETH Oberassistentende community" and includes a search bar for "Viva Learning". Below this, there's a user profile for "Peter André Herr" and a notification "All caught up! No courses assigned". A featured course by "Weiss Michael" is also visible. The main content area shows a list of learning resources with filters for "Your interests (1)", "Providers (1)", "Duration", "Languages", and "Types". The selected filters are "Nurturing well-being" and "ETH Zurich". The resources listed are:

- Benefits of failing**: ETH Zurich | ETH Zurich, 5 stars (1 rating), 21 views, Online Resource, EN (US), 30m.
