Name of the spin-off company: _____

Contact person: _____

Telephone number: _____

Email address for queries: _____

Service	Costs excl. VAT
----------------	------------------------

Internet connection	CHF 360.00 / year ¹
---------------------	--------------------------------

Remarks _____

Telephone and e-mail connections are excluded from our service and must be procured privately.

To activate the desired computer connections, we need - ITS ICT-Networks - the precise box name (UTP xxxxxx). You need a login in advance and the name of your newly created net support group. Apply for this login via servicedesk@id.ethz.ch. We need the following information: first and family name, ETH username, date of birth, office address, e-mail address and telephone numbers of the group members. Once the rental contract is signed, the use of previous guest accounts is no longer permitted.

Please do not hesitate to contact the ITS Service Desk or the Group ITS Data Network if you have questions on handling (phone 044 632 77 77 or 044 632 35 55).

¹ This amount is billed annually in advance.
