

# Attending an event under Corona conditions

## We are delighted that you are planning or have registered to take part in an event at ETH Zurich!

As the organiser, we are obliged to provide you with information on the possible risks and consequences of taking part. We kindly ask you to read through the following points and to observe the associated requirements:

### Before the event:

- Anyone who has been in contact with COVID-19 patients during the last 14 days is not allowed to visit ETH Zurich, and therefore may not attend events.
- If you were diagnosed with COVID-19, you may only come back from self-isolation to ETH Zurich after the decision of the cantonal doctor or treating physician.
- We recommend that high-risk individuals only take part in the event after consulting with their primary care physician.
- If you have any symptoms of COVID-19 (such as fever or feverishness, sore throat, cough, shortness of breath, aching muscles, sudden loss of sense of smell or taste, conjunctivitis, headache, gastrointestinal symptoms, rhinitis), you may not visit ETH Zurich.
- When travelling to and from the event with public transport, please avoid rush hours and comply with the mask-wearing obligation issued by the BAG (Federal Office of Public Health). Inform yourself in good time about the Federal travel regulations. Face coverings must also be worn in the ETH Link shuttlebus.
- Registration is mandatory for all events at ETH Zurich. Please note that your contact information may be provided to the public authorities if necessary.

### During the event:

- Face masks must be worn inside of all ETH buildings. Please bring your own mask with you. If participants will be seated for the majority of the event, you may remove your mask once you are at your seat.
- Participants must follow the social distancing and hygiene rules during the event, the written instructions on site (markings, signs) and the verbal instructions of the organisers.

### After the event:

- Anyone who falls ill with COVID-19 immediately after the event must inform the organiser.
- You may need to go into **quarantine** if contact tracing during the event demonstrates close contact with a COVID-19 patient.

Please note that we reserve the right to cancel the event at short notice if the epidemiological situation changes.

**In attending the event, you confirm that you have noted the information above and that you meet the conditions for participation.**

Should you have any questions, please contact your organiser.
