

# ABB Research Prize 2024

## Instructions on submitting applications

---

- Bases:**
- Reglement ABB Forschungspreis ↪ [Link](#)
  - Richtlinien für das Verfahren ↪ [Link](#)
- 

**Area:** **ENERGY TECHNOLOGY**  
(For examples see the regulations in Appendix 1)

---

**Thesis types: Outstanding Master's and doctoral theses**

**⚠ Doctoral thesis**

Pertinent date: Doctoral examination lies between 1 May 2022 and 30 April 2024.  
Only doctoral theses which have been formally accepted by ETH are eligible, i.e. they must have been approved by the department conference in Spring Semester 2024 at the latest.

**⚠ Master's theses**

Pertinent date: Master's thesis between 1 May 2022 and 30 April 2024.  
Master's theses are only eligible if their grades have been decreed by the time of application.

---

- Submission:**
- **Electronically** to [tony.joller@akd.ethz.ch](mailto:tony.joller@akd.ethz.ch)   
For the attention of the Jury Chair, Prof. Dr Ulrike Grossner
  - Please name a contact person for correspondence in connection with the nomination
  - Please enclose the following information and documents:  
Nomination of a doctoral thesis:
    - A PDF of the thesis (or a link to the thesis in the ETH Library E-Collection)
    - The date of the department conference at which the doctoral thesis was approved
    - The examiner's report and those of the co-examiners
    - A letter of recommendation written by the person submitting the application or a further expert which explains why the thesis is worthy of the prize; pertinent comments by the examination committee if available
    - A list of the doctoral student's publications
    - The names and addresses (including email addresses) of two persons external to ETH who may act as referees  
Nomination of a Master's thesis:
    - A PDF of the thesis
    - A copy of the student's academic record for the Master's degree programme or the Master's thesis grade
    - A letter of recommendation written by the person submitting the application or a further expert which explains the contributions made by the thesis and why it is worthy of the prize.
    - The names and addresses (including email addresses) of two persons external to ETH who may act as referees
- 

**Deadline:** **Submission by 31 May 2024 at the latest**
