

Regular semesters of Master Programme
= number of squares

ETH-D Scholarship
Departmental Contribution

Scholarship

Assistantship

Internship - no or complementary payment

Atmospheric & Climate Science
Biology
Biomedical Engineering
Food Science
Health Science & Technology
Physics

Chemistry
Chemical Engineering
Interdisciplinary Sciences
Mechanical Engineering
Micro and Nanosystems
Pharmaceutical Sciences
Process Engineering
Robotics, Systems & Control

Biotechnology
Civil Engineering
Computational Biology & Bioinformatics
Computer Science
Data Science
Earth Sciences
Electrical Engineering & Information
Technology
Environmental Engineering
Geomatic Engineering
Geospatial Engineering
High Energy Physics
Materials Science
Quantum Engineering
Spatial Development & Infrastructure

Computational Science & Engineering
(Applied) Mathematics
Statistics

Agricultural Science
Environmental Science

Comparative and International Studies

Pharmacy

Energy Science & Technology
Science, Technology & Policy
