Why ETH Zurich?

ETH Zurich is one of the leading international universities for technology and the natural sciences. It is well-known for its excellent education, ground-breaking fundamental research and for implementing its results directly into practice. Founded in 1855, ETH Zurich hosts today around 20,000 students from over 120 countries, including 4000 doctoral students. To researchers, it offers an inspiring working environment, to students, a comprehensive education. Twenty-one Nobel Laureates have studied, taught or conducted research at ETH Zurich, underlining the excellent reputation of the university.

What to expect from student life.

ETH Zurich has student exchange agreements with 150 partner universities around the world, and the ETH Zurich Student Exchange Office accepts more than 500 students every year. Be part of our exchange community for one or two semesters, starting from the third year of your studies.
