<b>Time</b>	07:30 – 09:00
<b>Place</b>	ETH Pavilion, Tastelab Restaurant
<b>Host</b>	Prof. Dr. Detlef Günther, Vice President Research and Corporate Relations ETH Zurich
<b>Point of Contact</b>	Alex Hochuli, ETH Foundation

**Event info** Switzerland is ranked among the most innovative countries in the world. And ETH Zurich is amongst the most innovative universities when it comes to spinning out research ideas into companies. Building on the existing entrepreneurial ecosystem, ETH is planning the next steps to expand the capabilities of young science entrepreneurs and to incite growth of deep tech ventures for Switzerland and Europe. Together with partners from industry and society, ETH will engage in a discussion around the shape of successful tech entrepreneurship in the future.
