

Supervision of written papers or Master's theses abroad

Study regulations 2009

Last name: Exchange semester:
 First name: Semesters in MSc:
 ETH card no: ____-____-____-____ Host university:

Type of written paper (please tick): Master's project in SD&IS (9 KP)
 Master's thesis (24 KP)

Theme:

Area of specialisation:

The written paper is monitored and graded by the professor supervising the student at the host university. The supervisor at the home university then re-reads the paper, gives it a final grade and enters this grade in eDoz. **9 credits** are recognised for a project paper and **24 credits** for a Master's thesis.

I hereby agree to supervise the paper/thesis mentioned above:

	Last name, first name	Signature
Supervising professor at host uni- versity		
Supervising professor at ETH		

Date: Signature of Director of Studies:

This form must be handed in, along with the signatures of both supervising professors, to the exchange advisor of the degree course in Spatial Development and Infrastructure Systems **by 15 June** for exchange semesters in the autumn semester, **by 15 November** for exchange semesters in the spring semester (ETH Zurich, Regula Oertle, Study Administration Office Geospatial Engineering, HIL E 31.3, Stefano-Francini-Platz 5, 8093 Zurich or via e-mail: oertle@stab.baug.ethz.ch).
