

**Supervision of written papers or Master's theses abroad**

Study regulations 2021

Last name: ..... Exchange semester: .....

First name: ..... Semesters in MSc: .....

ETH card no: \_\_\_\_-\_\_\_\_-\_\_\_\_ Host university: .....

Type of written paper (please tick):  Master's project in SD&IS (9 KP)  
 Master's thesis (20 KP)Theme: .....  
.....

Area of specialisation: .....

The written paper or Master's thesis is monitored and graded by the professor supervising the student at the host university. The supervisor at the home university then re-reads the paper, gives it a final grade and enters this grade in eDoz. Students must enrol electronically in myStudies before starting work. **9 credits** are recognised for a project paper and **20 credits** for a Master's thesis.

I hereby agree to supervise the paper/thesis mentioned above:

	Last name, first name	Signature
Supervising professor at host university		
Supervising professor at ETH		

Date: ..... Signature of Director of Studies: .....

This form must be handed in, along with the signatures of both supervising professors, to the exchange advisor of the degree course in Spatial Development and Infrastructure Systems **before the start of the exchange semester** (ETH Zurich, Regula Oertle, Study Administration Office Geospatial Engineering, HIL E 31.3, Stefano-Frascini-Platz 5, 8093 Zurich or via e-mail: [oertle@stab.baug.ethz.ch](mailto:oertle@stab.baug.ethz.ch)).

An information sheet on the Master's thesis is available at [www.sd-is.baug.ethz.ch/documents](http://www.sd-is.baug.ethz.ch/documents).
