Today's design reflects a car-oriented consensus. We bring together experts, students, and the general public to think together how to design a climate-friendly environment. Join our workshops!

Day 1 is jointly organized by the Netzwerk Stadt und Landschaft and the e-bike-city project. Days 2 and 3 are the annual «Cycling Research Board (CRB)» conference, for which the e-bike-city project is the local host.

Keynote: Timea Nochta, University of Birmingham
Introduction by: Simone Brander, Stadträtin Zürich
Further speakers: Paul Cureton, Lancaster University;
Andres Sevtsuk, MIT; Michael Walczak, ETH Zürich;
Michael Wicki, ETH Zürich

Inviting professors:
