

Master thesis supervision

Rules

- For each Master thesis **a referee** and **a co-referee** have to be defined (cf. Learning Agreement, myStudies).
- **Referee** and **co-referee** have to **grade the thesis** (cf. D-BIOL Master thesis evaluation form).
- **Referee** and **co-referee** must be **independent** (financial and organizational independency, e.g. not from the same working group)

Persons entitled to supervise and evaluate Master theses:

- **all ETH professors**
- **all ETH 'Privatdozenten'**
- **the following lecturers:**

Students choosing a lecturer without the title 'Professor' from the list below as supervisor (referee) of their Master thesis must choose a **'Professor' or 'Privatdozent' of ETH Zurich** as their co-referee.
