

AVETH D-BSSE Travel Fund

Description:

In order to establish stronger connections between Basel and Zurich Scientific Staff, and in response to increasing requests for financial support to attend events, the VMB and AVETH have initiated a pilot project for a Basel-Zurich Travel Fund. AVETH has provided funding support aimed at assisting with travel between Basel and Zurich for Scientific Staff from the BSSE to attend **ETH events which are not course- or academic workshop-related**. The goal is to improve access and attendance to ETH events such as AVETH social events (Board game nights, salsa night, etc.), Career Weeks, PolyHack, Poly-E-Job Fairs, etc.

Eligibility:

PhD Students, PostDocs, and other Scientific Staff at the D-BSSE **with AVETH membership!**

Reimbursement Requirements:

For reimbursement of your travel cost between Basel and Zurich, please submit the following information to **Michèle Grieder from AVETH Administration** (michele.grieder@aveth.ethz.ch), as well as **CC our treasurer at the VMB** (vmb.treasurer@bsse.ethz.ch).

Sincerely,

Your VMB Board and AVETH
