

The Kudos journey

Making sure research gets read and applied

Register with Kudos
via the Kudos website or
publisher email invitation.

Find and claim
your **publication**.

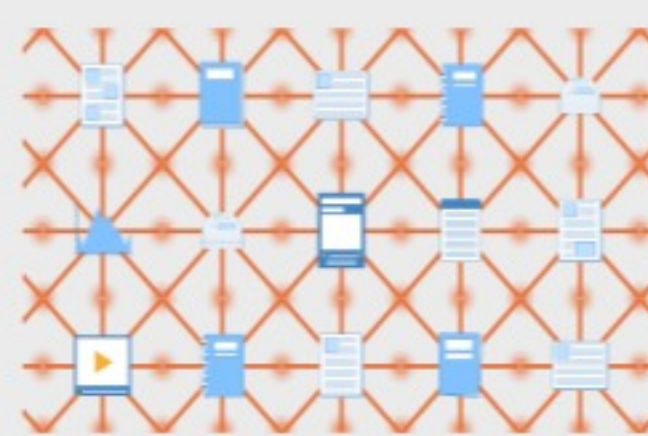

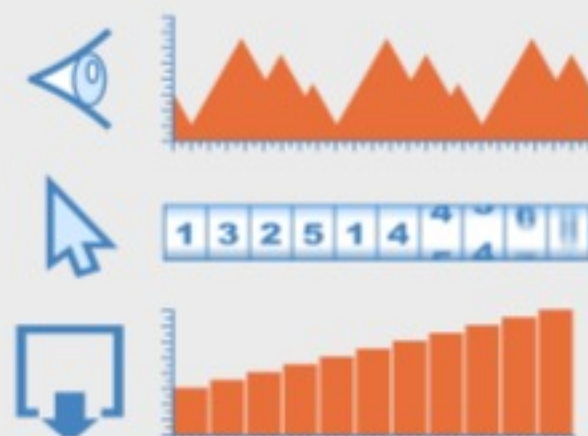

Add a **short title**
to your publication.

Now you've
explained your
publication, **share**
it via online channels
such as social media
and email.

Add resources
such as presentations,
videos, interviews,
figures, data-sets or
related publications.

Explain your
publication by
writing in plain language:
1. What's it about?
2. Why is it important?

Watch your readership grow!
Measure your publication's
success via your author
dashboard.

Now, **add more**
publications to
explain, share and
measure.
