

**Corona protection concept for the group work during 511-0000-00 G (Drug Discovery and Development).**

- It is mandatory to wear hygienic masks in the ETH buildings.
- The group work involving 20 registered students and supervised by U. Thibaut and J. Hall will take place in HIT E51 from 9:00-15:00.
- Students are obliged to wash their hands each time they enter HIT E51.
- Masks are compulsory during the group work.
- It is recommended to allow tracing using the SwissCovid app.
- If students have lunch together, they should record who is present in their group.
- The students are divided into fixed groups of 4-5 students. All tasks are carried out strictly in these closed groups.
- Desks for the group work are positioned at least 1.5m from each other in HIT E51.
- It is expected that all students and assistants also behave responsibly in their free time, in accordance with the rules of the BAG.
