

# Instructions for controlling the grade of the safety lecture exam in Moodle

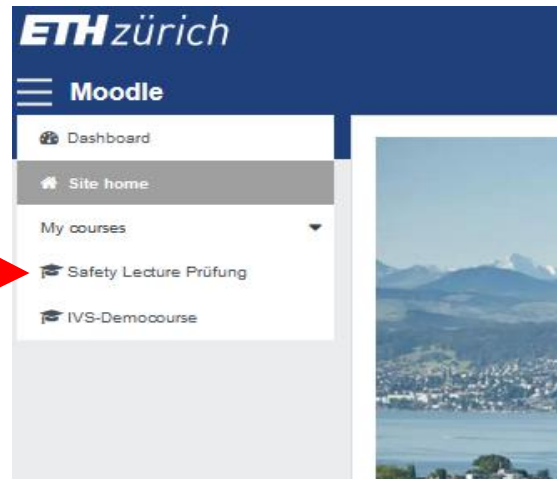

Please open the following link:

<https://moodle-app2.let.ethz.ch/auth/shibboleth/login.php>

→ Select ETH Zürich and Login with your eth username:

→ Click on Safety Lecture Prüfung

(If the course is not listed under “My courses” click on all courses  
Courses  
[All Courses...](#)  
and enter “safety lecture prüfung” in the search field)

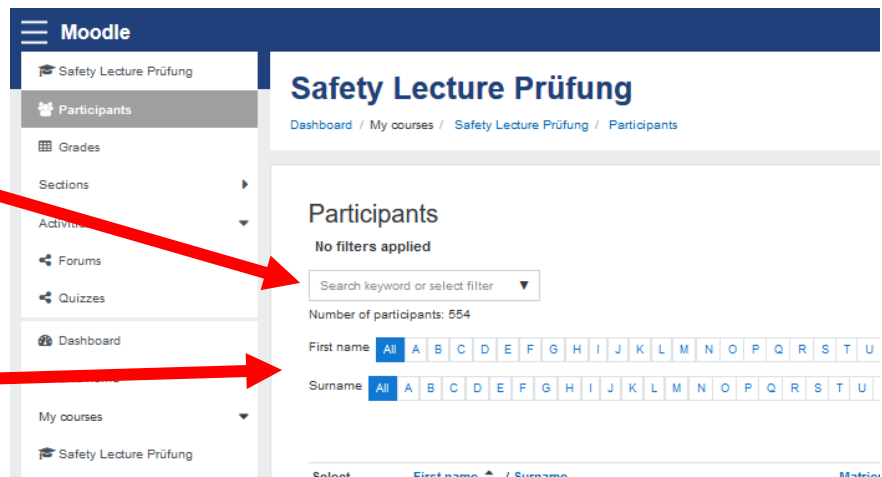

→ Click on Participants

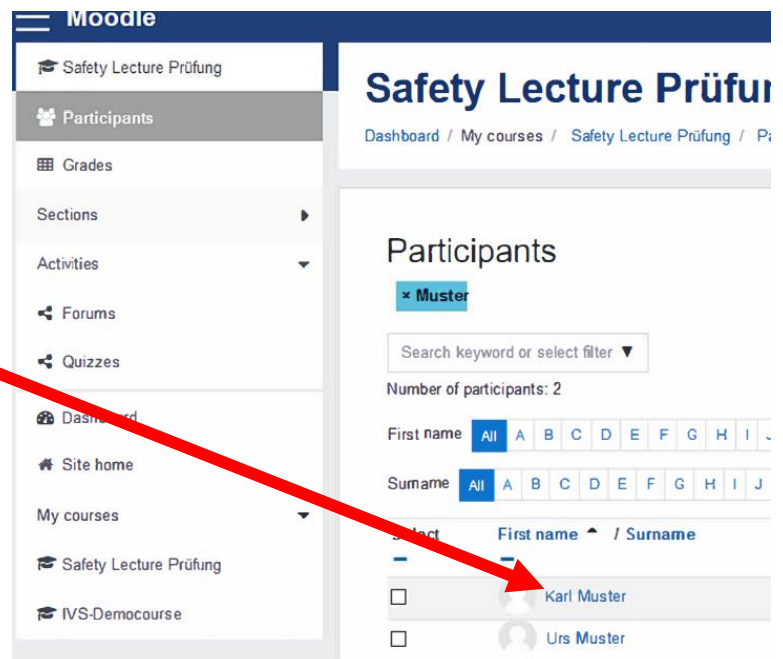

→ Enter the name of the person in the field and press enter

Or select the first letter of the surname or/and first name and search from a list

→ Click on the person you want to control

→ Click on complete report

Karl Muster [Message](#) [Add to contacts](#)

→ The report will show you how many points the participant has obtained in the specific exam (e.g. Safety-Lecture exam chemistry the participant has obtained a grade of 16.00 in the second attempt)

**To pass a grade of 14.00 is required**
