Going beyond your experience  
ETH & ZHdK students!

3 Credits ECTS

A residential week in Tuscany to foster interdisciplinarity and to develop skills for critical thinking. PhD and Master students of ETH Zurich, Idea League and ZHdK are invited to discover values, which are neglected in the natural sciences' academic education: arts, intercultural discussion groups, emotions, religiosity and body work.

The Cortona Week is a historical conference, which was founded in 1985. Cortona Week 2017 is its very last edition and closes the cycle of 32 years of Cortona Week from ETH Zurich.
