Panel Discussions

15:15 - 16:45 **The federal budget surpluses: Why and what next?**

Room LEE E101 We will discuss the recent developments of the budget surpluses and the role of the federal debt brake therein. Do actions need to be taken?

Panelists:

Serge Gaillard (Head of the Federal Finance Administration),

Prof. Dr. Christoph Schaltegger (University of Lucerne), and

Prof. Dr. Cédric Tille (Graduate Institute Geneva)

17:00 - 18:30 **Digitalization and international taxation**

Room LEE E101 Panelists:

The digitalization of business models allows companies to make profits in countries without any legal or physical presence. We will discuss the current international tax reform proposals.

Prof. Dr. Christian Keuschnigg (University of St. Gallen),

Dr. Simon Schnyder (Swiss Federal Tax Administration), and

Jörg Walker (Partner KPMG)
