

## **Late arrivals:**

### Hotel Monte Verità (conference site)

<http://www.monteverita.org/en/13/default.aspx>

The reception is open 24 h.

It would be better to know in advance what time the "late arrivals" will arrive, so that the night porter is informed that he has to be present at the reception desk, because he also does the night watch on the property Monte Verità and is therefore from time to time not at the desk.

Please contact: [info@monteverita.org](mailto:info@monteverita.org) or phone +41 91 785 40 40

### Hotel Ascona:

The reception is open in the evening until 22h00 (till 23h00 on Tuesday and Wednesday). If the guest arrives after this time, there will be an envelope on the desk with her/his name and all information and keys.

At the reception there is also a telephone, which is answered by the night porter, if the guest needs help.

### Hotel Luna:

The reception of Hotel Luna will be open until 21:30. The "late arrivals" (beyond 9.30 pm) will find a closed envelope with a key at the hotel door. The envelope also contains the information on the guest's room. Check in will then be done next morning.
