Detailed Regulations of D-HEST on ICT support for Emeriti

The Department of Health Sciences and Technology decrees, in addition to Art. 5 Abs. 1 lit. b of the D-HEST by-laws, the following detailed regulations concerning ICT support for emeritus professors and retired titular professors by the Department:

1. The Executive Boards decision of 23.02.2010 (SLB 23.02.20110-09.03) applies; see appendix to these detailed regulations.
2. The IT support group of D-HEST (ISG) provides no direct ICT support, and refers to the Executive Board decision under point 1 above regarding IT services at ETH Zurich.
3. Notably ISG does not take over any costs for the provision, renewal or maintenance of hard and software for emeritus professors or retired titular professors.
4. Institutes or individual professors, respectively their staff, can reserve the right for a continued ICT support and assumption of costs insofar as it has been individually agreed.
5. In case of doubt, the Department Head makes the decision.

Approved by the Department Conference D-HEST on 21 May 2014.
