

**Digital Innovation
Hubs in
Healthcare Robotics**

**Info Day
12 July 2019, 11:00
ETH Zurich, CLA J1**

organized by the Sensory-Motor System Lab,
partner of DIH HERO

Info Event on DIH HERO

followed by guest lecture of

Prof. Dr. Georg Rauter

Our independent platform on "Digital Innovation Hubs in Healthcare Robotics" (DIH-HERO) addresses any organization across Europe that adds value to healthcare robotics, e.g. through fabrication, R&D, certification, or funding.

Join our Info Event to learn more about DIH HERO and upcoming financial support calls.

Listen to Prof. Dr. Georg Rauter, Dept. of Biomedical Engineering, Uni. of Basel, when he talks about his recent developments in the field of minimal invasive semi-autonomous robotic surgery for laser ablation of bony tissue.

Network while enjoying our standing lunch.

Register till July 10 by email to:
peter.wolf@hest.ethz.ch

July 12, 11pm-1am, ETH Zürich, CLA J1
