

Learning Agreement on myStudies for the Master's Programme in Data Science

This document is designed to guide students through the platform myStudies concerning how to set up the Learning Agreement. Legal information on the Learning Agreement can be found in the study regulation on the [department's website](#).

1. Tutor

A tutor is assigned to you at the beginning of your studies. The tutor is a faculty member and advises you in how to plan your studies. You can find your assigned tutor in [myStudies/Functions](#).

Study programme: Data Science MSc

Current semester:	Autumn Semester 2023 , enrolled
Deadline	last possible date
Master's degree:	End of Spring Semester 2027

Programme

Confirmation of matriculation for Autumn Semester 2023 valid until 3 March 2024

To check the digital seal, the saved file must be opened with the free Adobe Acrobat Reader.

Save the matriculation certificate in a safe place for multiple use.

Tutor	Prof. Dr. A. Bandeira
-------	------------------------------

2. Create Learning Agreement

Please select "Learning Agreement":

Programme

Confirmation of matriculation for Autumn Semester 2023 valid until 3 March 2024

Standard Extended (e.g. for Immigration Office) [Download PDF](#)

To check the digital seal, the saved file must be opened with the free Adobe Acrobat Reader. 

Save the matriculation certificate in a safe place for multiple use.

Tutor **Prof. Dr. A. Bandeira**

Compose your individual learning agreement in accordance with your tutor [Learning Agreement](#)

3. Edit Learning Agreement

You can now select courses from the course catalogue using the "Edit" button.

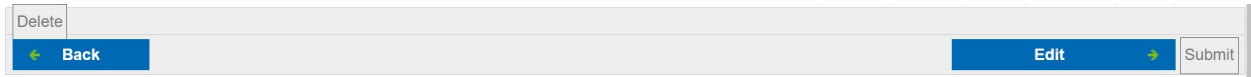

IMPORTANT:

- **Only the categories Core Courses and Electives** are part of the learning agreement (categories see study guide, [chapter 2.1](#)).
- All other categories don't belong to the Learning Agreement. If you add them, the Learning Agreement will be rejected.
- **Interdisciplinary Electives:** You must decide for *one specific area* and attend at least two courses worth at least 8 credits within this area. Courses from other area/s must be listed in the category Additional Electives.
- Submit only a completely filled-in Learning Agreement.
- You can change the Learning Agreement during your studies.

Course		<input type="radio"/> Not registered <input type="radio"/> Registered <input type="radio"/> Passed <input type="radio"/> Repetition failed <input type="radio"/> No more available <input type="radio"/> Failed							
Sem		Semester A: Autumn Semester S: Spring Semester							
Completion of mandatory courses		Declare how mandatory courses will be or have been completed: Yes: In this programme Bachelor: In the Bachelor or another ETH programme Other university: At another university No: Not planned in this programme							
Not regular		Category assignment differs from that in the Course Catalogue.							
Changes		New: Newly added, Moved: Moved to another category, Modified: Text modified, for external course units only.							
Category	Number	Course Title	Sem	ECTS credits			Completion of mandatory course	Not regular	Changes
				Planned	Needed	Missing			
Core Courses and Electives				0	76	76			
Core Courses				0	32	32			
Data Analysis				0	16	16			
Data Management				0	16	16			
Electives				0	28	28			
Subject-Specific Electives				0	20	20			
Interdisciplinary Electives				0	8	8			
Additional Electives				0	0				

4. Submission of Learning Agreement

Once your Learning Agreement is completed, please get in touch with your proposed tutor **for discussion prior** to submission.

5. Deadlines

The first version of the Learning Agreement must be submitted on myStudies and approved by the tutor within 4 weeks after the first semester has started. The final version must be submitted before enrolling in the Master's thesis.

6. Questions

If you have any queries or need support, please get in touch with us at master@inf.ethz.ch.
