Welcome to the
DAS in Data Science

DAS in Data Science Administration
Department of Computer Science ETH Zurich

24. February 2022
Today’s Program

Intro to the DAS in Data Science Programme at ETH Zurich with

• Information about DAS Course Program, Study Plan, Capstone Project, Grading System

• Question and Answer Session
Programme Heads of the DAS in Data Science Programme

Dr. Ghislain Fourny  
*D-INFK*

Prof. Joachim Buhmann  
*D-INFK*

Prof. Helmut Bölcskei  
*D-ITET*

Prof. Nicolai Meinshausen  
*D-MATH*
Course Programme and Study Plan DAS in Data Science

• DAS Courses are regular offers from ETH Master's programs and will be held throughout the regular semesters on the campus

• It consists of the
  • Foundation Course (choose 1)
  • Specialization Track (choose 1)
  • Capstone Project of your choice

→ add up to 35 to 45 ECTS (max.) over 2-4 semesters

• Link to the DAS in Data Science course list
# Study Plan

**Binding list** of courses for the full DAS program (35 - 45 ECTS)  
(the course program is available [here](#))

Foundation Course (6 – 8 ECTS)

<table>

<td></td>
</tr>
</tbody>
</table>

The study plan is **binding**... what does it mean?
Capstone Project

- Minimal prerequisites for the Capstone Project (CP) registration are:
  - completed Foundation Course
  - completed 12 credits in the Specialization Track
- Duration is at most 6 months
- Done under the supervision of the Swiss Data Science Center or of any faculty of Data Science
- All Information regarding CP to be found online [here](https://inf.ethz.ch/news-and-events/spotlights/2019/05/spotlight-sdsc.html)

- Information on available projects at the Swiss Data Science Center (SDSC) will be given towards the end of the semester (May) - further information and invitation to the event will follow during the semester

Credit System

• European Credit Transfer System (ECTS)
• 1 ECTS = approx. 30 hours of studying
• Course completed successfully → **full amount of credits** is awarded

DAS programme: approx. 1’050 hours = 35 CP
Grading System

- **Pass**: grade $\geq 4$
- **Fail**: grade $< 4$
- Resolution for individual grades: 0.25

Repetition of exams

Every examination or project can be repeated **once**.
Points of Contact

General Information about the DAS in Data Science
→ https://inf.ethz.ch/continuing-education/das-datascience.html

Queries related to admission, invoices, enrolment:
→ School for Continuing Education: info@sce.ethz.ch
→ Visit also the student portal: https://ethz.ch/students/en/continuing-education.html

Queries related to the study program, study plan, administrative matters:
→ das-in-data-science@inf.ethz.ch
Recommendations

Please read your @student.ethz.ch mail

Please respect the deadlines for (de)registrations for your

→ courses
→ examinations
All best wishes for your Studies at ETH
