

Newsletter

July 2021

Even though we are enjoying our summer break and preparing our next events for the fall semester (hopefully in person again!), we have some new offerings for Bachelor's students. See below if you'd like to meet some new people to study and chat with!

For those of you who are already in your Master's degree

- Joel from CSNOW

Study Groups

for Bachelor students

The semester is finally over, but you're struggling with motivation to study? Then welcome to CSNOW's first "Lerngruppenvermittlung"! Sign up, tell us the courses you are taking, and we will match you with others.

This is a great opportunity to meet new people just like in lecture halls and to help each other out with questions, materials and encouragement!

Be quick! The deadline for registration is **July 4**.

Group Chat

We've set up a new informal group chat for female BSc students. Sign up below to get an invitation, and we'll connect you to your peers so you can stay up to date on the latest news and advice!

Join

Women for Women:

Get an experienced female mentor from industry

Women for Women is a network connecting and supporting (future) female leaders. By signing up for their mentoring program, you can get matched with a female mentor with an industry career who can support you during and after your studies. This is a great chance to get a head start after your studies at ETH!

Female Founders Speed Dating

Are you interested in start-ups? The **Female Founders Speed Datings** are semi-annual events that connect female founders with their potential co-founders or investors. Furthermore, the participants get an in-depth insight into a specific topic through the Fireside Chat, this time on the topic of "Fundraising". Guest speakers **Aleksandra Laska**, Partner at Redalpine and **Léa Miggiano**, Co-Founder & CMO at Carvolution, share their fundraising experience as investor and as founder respectively.
