Do you sometimes feel unheard in conversations? Or maybe even drowned out in certain situations? Our voice is one of the most powerful tools of conveying information. We use it daily to converse, present, express opinions and discuss. Having a strong voice and learning how to use it is an important skill that can empower us in our day to day life as well as professionally!

Join us for an engaging workshop with [Nina Hesse Bernhard](#). She's a certified voice coach, actor and artistic director at a theater in Zurich. In this interactive session, you will not only be amazed by your own

development, but also from observing how other participants developed during only one training session. Be sure to save your seat by registering below.

## How to negotiate a fair salary?

Also in Switzerland, women still earn less than men. Differences in salary exist from entry positions and are particularly pronounced among highly qualified women. What are the causes and how can women prepare themselves for salary negotiations? Find out in the ETH Diversity workshop with Helena Trachsel, Head of Department for Equal Opportunities of Women and Men, Canton of Zurich and her colleague Yannick Staubli. The event takes place on **May 11**.

Register and learn more about the event [here](#).

## RACKlette - join the team!

RACKlette is a team of students at ETH supervised by professor Torsten Hoefler. This year, they are competing in the [Student Cluster Competition](#) (SCC) in Dallas, Texas (Nov 14-16). The SCC is an international competition where teams build a supercomputer from scratch and compete against one another.

The team, which is supported by ETH and the [CSCS](#), is currently looking for motivated female students in their **Bachelor's** program. No background is required to join, there will be a lot of time to learn! If you're interested, you can find more information [on their website](#) and get in touch with them [via email](#).

## Female Power in IT Consulting

After graduating Dominique (consultant at ipt and former Phimale president) and Karin (partner at ipt) started their career in the male-dominated area of IT consulting. Do you want to know more about their path and how they experience the day-to-day life in IT consulting? Do you want to hear tips and tricks about how to get into IT consulting? Then sign up for the talk of the two power women that is followed by an informal apero and networking session. The event organized by our friends at Phimale takes place on **April 13** from 17:00 to 20:00 at food&lab in CAB. To register please send [an email](#) with your CV. Please also note that this event is hosted **in German**.
