

# CSNOW

Network of Women in Computer Science

## Newsletter

September 2023

Welcome to the new semester at ETH! We have a full program of exciting events throughout this semester and are happy to share our plans for October. We are looking forward to getting to know as many of you as possible! If you have questions in the meanwhile, you can contact us via [csnow@inf.ethz.ch](mailto:csnow@inf.ethz.ch).

We indicate the main target group in the header of the corresponding news:  for the **students** (bachelor and master) and  for the **researchers** (PhD's, postdocs, and scientific staff members of D-INFK).

*– your CSNOW team*

---

## CSNOW events

  **Successful Schnupperstudium**

We organize twice a year the "Schnupperstudium" which aims to give female high school students insights into computer science in the ETH Zurich atmosphere. In the latest September edition, 28 girls had the chance to program their own app, visit the Google office and listen to the experiences of current female CS students of ETH Zurich.

After seeing how the participants got excited throughout the week and enjoyed their time at ETH Zurich, we are more excited now to welcome new participants for the next Schnupperstudium in February. Thank you for spreading the word!

### CSNOW Bookclub

If you are also a bookworm and want to share your book love, join us for the bookclub, where we meet regularly to discuss the book of the month. Interested? Then register [here](#) so that we can include you to the WhatsApp chat. :)

### CSNOW Meetups For Women in CS

  
**MEET UP FOR WOMEN IN CS**  
FIRST 20 STUDENTS GET FREE DRINKS FROM US!  
MEET YOUR FELLOW STUDENTS OVER FREE BEERS!  
FOR BACHELOR STUDENTS: 5TH OCTOBER 18:30  
FOR MASTER STUDENTS : 19TH OCTOBER 18:30

Join us for the first edition of our casual meetups for the **women** in CS. The one for the **Bachelor** students will be on the **5th of October** and the one for the **Master** students on the **19th of October, at 18:30, bQm**. First 20 drinks on each day are on us, so don't be late 😊

# External events

## #wetechnology conference 2023

We, as CSNOW, are proudly supporting the 5th edition of the largest conference in Switzerland bringing female tech communities together to empower, engage and celebrate women in tech! You can attend workshops and keynote sessions on **September 29-30 at Technopark**. More information and tickets are [here](#).

## READY TO INSPIRE, MOTIVATE AND EMPOWER GIRLS INTO TECH?

Student Job: German Speaking Workshop Instructor

Girls  CodeToo

### Who we are:

GirlsCodeToo is a Zurich-based NGO that focuses on providing a nurturing and supporting environment where girls can learn valuable technical skills to lead in tomorrow's digital world.

We encourage girls to develop an interest in technology through a series of real-life impact projects, themed workshops, coding clubs, leadership classes, and camps.

### What we offer:

- You will gain valuable teaching experience
- Be part of a motivated team that aims to bridge the gender gap in Tech
- Salary of 35 CHF / h teaching + preparation time

### What we are looking for:

The GirlsCodeToo team is looking for motivated German-speaking students to teach our Workshops.

You will be trained by team members to teach tech skills in a fun and engaging way to girls between the ages of 8-18.

Female and Male applicants are all welcome!

### What we expect:

We expect you to have experience in algorithm design and competitive programming. Big plus if you have competed in Informatik or Mathematics Olympiad. Experience teaching required, or extremely motivated and willing to learn!

### Next Dates & Time:

ETH - 28.09.2023  
Baden - 23.09.2023  
Einsiedeln - 08-10.10.2023  
ETH - 09.11.2023  
Workshops are running all over the year.

### How to Apply:

Send CV & Short Motivational Letter to [david@girlscodetoo.ch](mailto:david@girlscodetoo.ch)

We look forward to receiving your CV!

## Girls Code Too

If you are a motivated German-speaking student to teach the workshops of Girls Code Too, check out the following flyer and apply with your CV with a short motivational letter! You will have the chance to inspire girls into tech, while gaining teaching experience. Female and male students are welcome to apply.

## BCG Circles Mentoring Program 2023

BCG is offering a 3-month women's\* mentoring program from all study backgrounds in their 3rd semester and upwards. If you are interested, please check out [this website!](#)

## RS BCG Out Workshop: The Pink Cross Study Case

### Study

This is your chance to solve an exciting and unique case study alongside other peers and BCG coaches. [Application](#) is open to students from the LGBTQIA+ community and allies.

## RS BCG Unfold 2023

Join BCG Unfold on **October 26, 6-10 PM** at [Amboss Rampe](#) in Zurich and take a sneak peek at the field of management consulting. This is an event for students with a non-business background (MINT, natural sciences or humanities) that are interested in learning more about a career start in consulting. Interested? Apply [here](#) until **October 15!**

## RS McKinsey: Women's Breakfast for STEM Students

No matter where you currently stand in your career planning, join McKinsey for an informal women's breakfast on **October 6, 08:30 - 10:30** at **Café BEBEK**. While enjoying a muesli, croissant and coffee, you will meet their consultants, learn more about their day-to-day work and find out whether consulting could be the right career entry for you. Students and recent graduates in Switzerland from STEM degrees who self-identify as women can apply [here](#) by **October 1**.

## RS McKinsey: Tech IT Out

Do you want to unveil the mystery of what McKinsey actually does in tech consulting? Join this year's Tech IT Out event in Zurich which connects women from tech-related studies and degrees on **October 26-27, 2023** at **Hotel UTO Kulm, Zurich-Uetliberg**. Bachelor (as of 4th semester), Master and PhD students in technical study fields from Swiss universities or recent graduates that self-identify as women are welcome to apply [here](#) by **October 15**.

## RS GetYourGuide

In Zurich on **October 4, 6pm**? Join GetYourGuide at their office for an evening with Petra Donka, Head of Developer Connections at [Prisma](#), as she shares key learnings from her career journey and insights into the abilities critical for engineering success. Limited spots remaining, you can still apply [here](#).

This is a monthly newsletter sent out to all female students at D-INFK.  
You can change your preferences or unsubscribe [here](#).
