February 2023

Welcome to the new semester at ETH! Another semester full of exciting events - from movie nights to panel talks - is ahead of us and we are happy to share our plans for March with you. We are looking forward to meet as many of you as possible! If you have suggestions questions in the meanwhile, you can contact us via csnow@inf.ethz.ch.

We indicate the main target group in the header of the corresponding news: Ⓢ for the students (bachelor and master) and Ⓡ for the researchers (PhD's, postdocs, and scientific staff members of D-INFK).

CSNOW events

ⓇⓈ CSNOW Book Club - Intro Event 📚

Upon your feedback we are launching our book club. Join us for the introduction event where we can discuss and decide together about the dynamics of the club!

Ⓢ Meet your Basisjahr-Professor: Angelika Steger

ARE YOU TAKING (OR HAVE TAKEN) A&W, ALGOLAB, APC?

Then come and meet your professor Angelika Steger over an Apero!

When? 8. March
Where? To be announced

We have a special event for the International Women's Day, **8th of March**, this year: get to know your Basisjahr Professor Angelika Steger better and to enjoy the apéro afterwards between 12:00 and 14:00. Please register here. We will send a separate mail with more detailed information about this event soon.

Ⓡ Ⓢ Sustainability and Technology with purpose: Why Siemens needs more women in Computer Science

What does **Siemens** actually do? In a roundtable, Siemen's women in Computer Science will tell you what it's like to work at Siemens, what entry and development opportunities you do have, and why it's so great to have a purpose at work. You are welcome to actively participate in the discussion and ask all your questions that are burning under your nails. Don't forget to register here to secure your spot.

Ⓡ Ⓢ Save the date: Women in Engineering

Join us on March 29 for an insightful evening at Supercomputing Systems AG! Meet female engineers and software developers, get an exclusive tour of the company, and attend the annual networking event "Get Together - Women In Engineering". You will have the chance to be inspired by Lisa Falco's keynote speech, participate in lively discussions, and expand your network over an aperitif riche.

- 29.03.2023
- 🕐 17:00
- SCS Supercomputing Systems, Technopark Zürich, Trakt Edison, 5. Floor
- All D-INFK members are invited

Ⓢ Startup Opportunity for Undergrads

Want to be part of an all-female team of top-tier developers and marketing professionals from around the world? Want to join a small community of hardworking, passionate individuals while gaining valuable experience? Want to learn more about startups? Apply to be a part-time remote intern (~10 hrs per week) with our sustainable marketplace startup based in Sydney. Flexible start date sometime in Feb. It's a great opportunity to join an early-stage startup with high growth potential and could lead to a full-time role.
