[November 2023]

One month of lectures left means one month left to fill with events, which is exactly what we have planned for you!

Whether you're in the mood to mingle at BQM, or to get inspired during teatime discussions with your professors, or perhaps let out some pent up energy on the ice rink, we're sure to have you covered ;)

As always, if you have suggestions or questions, you can contact us via [csnow@inf.ethz.ch](mailto:csnow@inf.ethz.ch).

We indicate the main target group in the header of the corresponding news:  for the students (bachelor and master) and  for the researchers (PhD's, postdocs, and scientific staff members of D-INFK)

## 📍📅 Meet your professor! With Prof. Fanny Yang

# Meet your professor, Prof. Fanny Yang!

Have you taken IML or Data Science lab and would like to get to know Prof. Yang better over free delicious food? Then join us on

**30th Nov 4pm at CAB Foodlab**

Please sign up  
so we can provide enough food :)

Get to know your professor! This edition, we will welcome Prof. Fanny Yang, whom most of you know from the **Introduction to Machine Learning** course

or the **Data Science Lab**. Join us as we discuss topics such as her academic path, her research, work-life balance, and many more, in a casual setting followed by an open Q&A forum. We will provide drinks and snacks — so please sign up (non-binding) if you would like to come so we can make sure to provide enough 🍪 🍷

## 📍 Ice skating ✨🛼❄️

It's finally time for our yearly skating outing! On the 6th of December, we will be going to the Dolder for an evening out on the ice under their beautiful Christmas tree. **Entrance** and one **Glühwein** are **included**. Participants will cover their own skate rentals (8 CHF **with Legi**), so feel free to bring your own skates. Places for this event are limited, so please make sure that you sign-up to save your spot! If the number of participants exceeds our capacity for this event, we might give preference of spots to female participants. We will send you confirmation e-mails for the spots.
