

Exciting Summer Internship Opportunity: Research Assistant

Company: Amcor Flexibles, Core R&D
Location: Kreuzlingen, Switzerland
Position Type: Temporary, Full-Time (8-12 weeks, 60-100% depending on availability), starting immediately
Salary: 3'200 CHF per month (at 100%)

About Us: Amcor is a global leader in packaging solutions. Our cutting-edge research and development team in Kreuzlingen is at the forefront of innovation, working on projects that shape the future of packaging technology. We are seeking a motivated and detail-oriented **Research Assistant** to join our team for a summer internship.

Responsibilities: As a Research Assistant, you will collaborate with our experienced scientists and engineers to conduct critical experiments related to oxygen transmission rates (OTR) and oxygen ingress measurements. Your work will directly impact our product development and quality assurance processes.

Why This Internship Will Boost Your CV

Hands-On Experience:

In our dynamic research environment, you'll not only gain practical insights but also develop novel methods that can be applied across our global labs. This hands-on experience will set your CV apart from your contemporaries.

Real-World Impact:

Working alongside industry experts, you'll contribute to projects that drive sustainable and recyclable packaging solutions.

Industry Exposure:

Collaborating with experts means exposure to real-world challenges and cutting-edge developments. This firsthand experience will enhance your understanding of the industry.

Skill Development:

As you refine your analytical abilities and attention to detail, you'll acquire valuable skills for your further studies. This internship is a growth opportunity for your skill set.

Networking:

Connecting with experienced scientists opens doors to mentorship, references, and future collaborations.

Qualifications: Ideally, you are currently pursuing a degree in Chemistry, Materials Science, Physics or a related field.

To apply, just email your CV outlining your relevant experience and your availability to philipp.okle@amcor.com. We look forward to hearing from you!
