

Using Visualizations to ...

Explore Data Features

Showing spatiotemporal patterns (Zuo et al. 2022)

Monitor Analysis Progresses

Tracking experiments and version managing (Weights & Biases, 2023)

Collaboratively Make Decisions

Collaborative decision-making (Aloson et al. 2018)

Using Visualizations to Increase ...

Engagement

Learnability

Understandability

Transparency

Efficiency

Awareness

Memorability

Effectiveness

Trust

... in communication with big data.

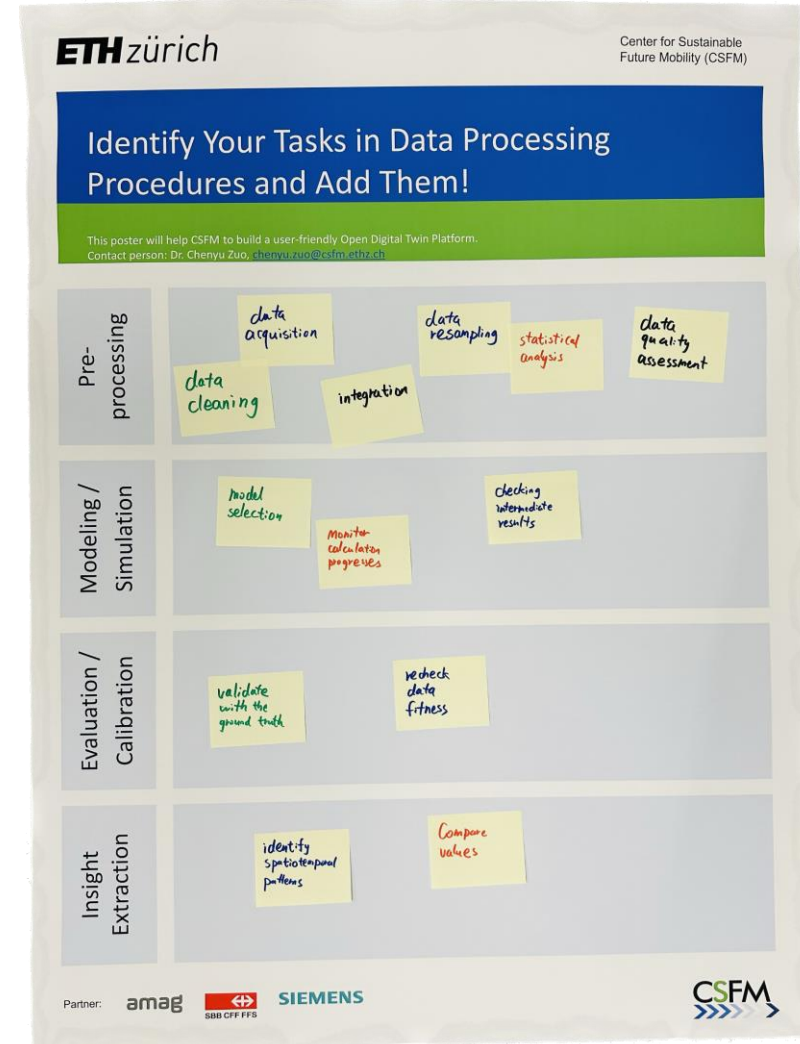

Using Visualizations as an Infrastructure in ODTP

Collecting user tasks can help us to design a user-friendly visualization interface

Please find this poster and **write down your tasks** in your data processing procedures.

ODTP

Thank you!

Bridging the Open Digital Twin Platform and the Potential Users with Visualizations

Dr. Chenyu Zuo
