

ETH Medal Application Guide

At the DK MAVT on 7.12.2022 a new procedure for the internal nomination process of ETH Medal (Master) was defined. The procedure is the following and will be in effect for the next graduation period (1.2.2024 – 31.3.2025):

1. The nomination includes:
 1. **First page of the Master's Thesis**
 2. **Letter about the exceptional quality of the Master's Thesis**
 3. **Mail/letter with your grade (on a scale from 1 to 6) on the criteria below**

Criteria	Grade
50% Scientific excellence (e.g. work publishable in a leading journal)	
15% Innovative character of thesis work (e.g. patent application)	
15% Intellectual independence (e.g. self-motivated, driven)	
15% Adding value to the group (e.g. team player, exhibition, collaboration, contributing key results and data)	
5% Outreach	
General Point Average \emptyset	
Number of mentored Master's theses in the period of 1.2.2024 – 31.3.2025	
Names of all nominated candidates and their recommended ranking	

The Award Committee (Bardow (Director of Studies), Mohr, Tilley, Zeilinger) will evaluate the applications and decide on the nominations (final GPA and diversity will be taken into account)

The awarding will be taking place at the Master Ceremony 2025.
