

SHORT COURSE

Machine Learning for Industrial Applications

Register for the upcoming D-MTEC Short Course and gain access to machine learning methods in industrial applications, addressing challenges like scarce labelled data, highly variable operating conditions and diverse system configurations.

Lecturer

Professor Olga Fink | Assistant Professor of Intelligent Maintenance and Operations Systems, EPFL & External Lecturer at MAS MTEC, ETH Zurich

Dates

20 June 2024	09.15–18.00
21 June 2024	09.15–17.00
1 July 2024	09.15–18.00
2 July 2024	09.15–18.00 followed by an Apéro

Venue

ETH Zurich, Rämistrasse 101, 8092 Zurich
Main Building, HG D 3.2 & 3.3

Fee

CHF 700
