Swiss Federal Institute of Technology Zurich

CAS ETH in Public Governance and Administration (CAS PGA)

CAS PGA 2024

The programme has a limited number of scholarships available for students from low and lower-middle income countries (as defined by the World Bank). You may be placed on a scholarship waiting list.

If you are awarded a scholarship, you must then submit an online application to the programme. Please note that scholarship awards are contingent on being accepted into the programme.

Applicants working for institutions that have professional development funds that support employee participation in foreign academic programmes may not apply for a scholarship from ETH Zurich – please apply for financial assistance within your organization.

Please submit the following form with your completed application.

1.	**Personal information**

Family name(s)
Given name(s)
Date of birth
Nationality
Country of Residence
Do you work for a government / state institution?

2.	**Type of financial assistance sought**

Scholarship (covers tuition fees + provides stipend for travel & lodging)

Please send the complete documentation to: **sspg-scholarships@ethz.ch**

3.	**Confirmation**

I confirm that all information given in this scholarship request form is complete and correct. I am aware of the fact that intentional or by negligence resulted misinformation can lead to the exclusion from the admission process or – if it is discovered only later – to the annulment of the admission. I authorize ETH Zurich to carry out other clarification, as far as this should be necessary for the evaluation of my application. I further agree that if I am awarded a scholarship and do not attend and complete the programme, ETH Zurich may request a full reimbursement of any funds I have received. As a policy, ETH does not transfer any funds until participants arrive in Zurich for the programme start.

By signing this form, I agree to the conditions stated above.
