Registration for the doctoral examination

Student number _____

Name, first name(s) _____

Department   please select: _____

Doctoral degree   please select: _____

Step 1: Confirmation of Acquired Credits for Doctoral Studies

_____   _____
Date   *Signature and stamp of the department*

**Without the department's confirmation it is not possible to register for your doctoral examination!
Please have that done at the earliest possible stage!**

Step 2: Details on the Doctoral Thesis and Statement of Originality

Please note the following points:

- You must register for the doctoral examination **at least 15 working days before the doctoral examination**.
- Registration is only possible with the approval of the supervisor of your doctoral thesis and after consultation with your co-examiner(s).
- Each member of your examination committee and the doctoral administration of your department must be provided with a copy of your doctoral thesis. Clarify individually in which form (physical/digital) and at what time you must provide the doctoral thesis to the persons/offices mentioned.
- The **reviews** written for the doctoral thesis must be received by the doctoral administration of your department prior to the doctoral examination. **Important**: each department has individual deadlines for this! Clarify in good time how long before the examination the reviews must be received there.

Title of doctoral thesis

```

Concerning the present doctoral thesis with my signature I confirm that:

☐ I authored the thesis in question independently and in my own words, i.e., that no one helped me to author it. Suggestions from the supervisor regarding language and content are excepted. I used no generative artificial intelligence technologies[1]

☐ I authored the thesis in question independently and in my own words, i.e., that no one helped me to author it. Suggestions from the supervisor regarding language and content are excepted. I used and cited generative artificial intelligence technologies[2]

☐ I authored the thesis in question independently and in my own words, i.e., that no one helped me to author it. Suggestions from the supervisor regarding language and content are excepted. I used generative artificial intelligence technologies[3]. In consultation with the supervisor, I did not cite them.

- I have not submitted this thesis to any other university,
- I have not committed any of the forms of plagiarism described in the „Citation etiquette ",
- I have documented all methods, data, and processes truthfully,
- I have not manipulated any data, and
- I have mentioned all persons who were significant facilitators of the work.

_____   _____
Date   *Signature doctoral student*

_____   _____
Date   *Signature doctoral thesis supervisor*

Please send electronically with a copy of the title page of your doctoral thesis to: **doktorat@ethz.ch**
