Best Physics Scientists in Switzerland

The 3rd edition of Research.com ranking of the best researchers in the arena of Physics is based on data consolidated from a wide range of data sources including OpenAlex and CrossRef. The bibliometric data for estimating the citation-based metrics were collected on 21-11-2023. Position in the ranking is based on a scholar's D-index (Discipline H-index), which only includes papers and citation data for an examined discipline.
