

MAS+ Workshop

# Addressing the climate crisis with tangible approaches

Thu, 13 Oct 2022 | afternoon | on-site at ETH and online  
Sat, 15 Oct 2022 | half-day | on-site at ETH

The state of the climate has environmental, socioeconomic, and financial implications. This workshop elicits solutions, best practices and strategies you can use to leverage your position and create positive transformation in your industry.
