

Travel Grants

Many societies grant travel awards for PhD students. These awards are intended to support PhDs who will actively contribute to a meeting / conference (poster presentation or talk) or who wish to make a research stay abroad or visit a summer/winter school.

Please consider the regulations of the different societies / organizations and plan accordingly!

List with Swiss Societies and other organizations offering travel awards:

GRC	Graduate Campus UZH	https://www.grc.uzh.ch/en/calls/grc-grants/travelgrants.html
LS2	Life Sciences Switzerland	https://www.ls2.ch/funding/travel-grants
SGHL	Schweizerische Gesellschaft für Hydrologie und Limnologie	https://naturwissenschaften.ch/organisations/sghl/promotion_of_young_researchers
SGLH	Schweizerische Gesellschaft für Lebensmittelhygiene	https://www.sglh.ch/de/Organisation/Stipendienfonds
SNSF	SNSF Doc.Mobility Fellowship	http://www.snf.ch/en/funding/careers/doc-mobility/Pages/default.aspx
SSM	Swiss Society of Microbiology	https://www.swissmicrobiology.ch/society/grants
SSAHE	Swiss Society for Anatomy, Histology, and Embryology	www.ssahe.ch/travel_de.php
SSAI	Swiss Society For Allergology and Immunology	https://www.ssai.ch/index.php/stipendien/
SSPT	Swiss Society of Pharmacology and Toxicology	www.swisspharmtox.ch/documents/TravelGrantRegulations_000.pdf
VAUZ	Vereinigung akademischer Mittelbau der UZH	https://www.vauz.uzh.ch/de/infos/tagungsfonds.html

Even commercial organizers of conferences (as Keystone Symposia for example) provide grants for young scientists to support their attendance at the meeting. Please consult their website for details.
