Learning Agreement / Individual Study Plan

- Select tutor
- Discuss your choice with the track advisor, edit and submit the list in *myStudies* by the end of the fourth week of the semester
- Contains all core courses, recommended elective courses and biology courses
- Track advisors can allow courses not pre-defined for a particular track
- Only these courses can be accounted for the final degree

The screenshot shows the 'myStudies' interface for a student in the 'Electrical Engin. + Information Technology MSc' program. The page is titled 'Matriculation' and displays the current semester as 'Spring Semester 2016, enrolled'. A red box highlights the 'Select Tutor' button, which is the focus of the first bullet point in the list. Other buttons visible include 'Back', 'Course registration', 'Projects/papers/theses', 'Examinations', 'Transcript of records', 'Learning Agreement', 'Studies overview', and 'Degree request'. The 'Contact' section at the bottom provides information for administrative and programme-specific questions.

Useful information

Counselling at ETH and the D-ITET

- Course selection ? → your track advisor
- Studies at D-ITET, i.e., deadlines, failures at examinations etc. ? → the coordinator of studies
- General questions regarding your arrival at ETH ? → [international student support](#)
- Time management / motivation ? → [student coaching](#)
- Difficult phases / personal problems ? → [psychological counselling service](#) (free of charge and confidential)

Computer infrastructure at ETHZ / D-ITET

- All public ETH-computers, e.g., Main Building HG D 11, or ET-Building ETZ D 61.1, require your **n.ethz** password, same as used for myStudies
- Only ITET students can access the computer infrastructure in the ET-building area, should you encounter a problem, contact D-ITET IT-support
- [Project Neptune](#) – during a short period (until September 30), laptops and tablet computers may be purchased through ETH at interesting prices
- [IDES](#) – ETH also offers software at very low cost, some products even for free. Remember: the use of non-licensed software is forbidden and subject to prosecution!

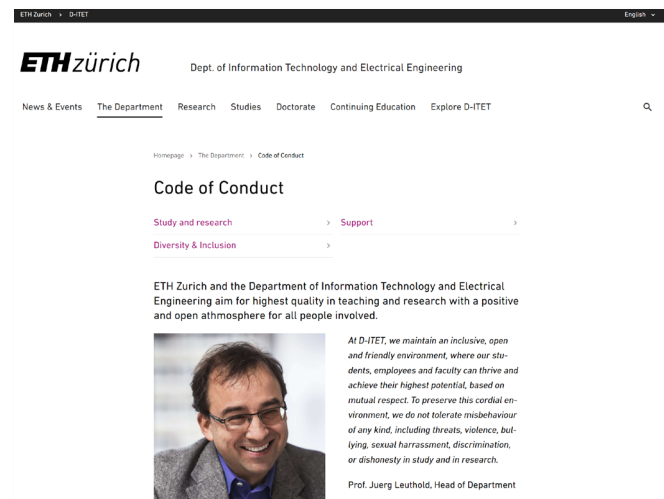

Code of conduct

« At D-ITET, we maintain an inclusive, open and friendly environment, where our students, employees and faculty can thrive and achieve their highest potential, based on mutual respect. To preserve this cordial environment, we do not tolerate misbehavior of any kind, including threats, violence, bullying, sexual harassment, discrimination, or dishonesty in study and in research. »

Prof. Jürg Leuthold, Head of Department
