

Core Course

Recommended Elective Course

Other Elective Courses

Biology Course

Time		Monday				
08:00						
09:00						
10:00		Micro and Nano-Tomography of Biological Tissues				
11:00						
12:00						
13:00						
14:00	Biomedical Imaging					
15:00						
16:00						
17:00						
18:00						

Time		Tuesday				
08:00						
09:00			Physiology and Anatomy for Biomedical Engineers I			
10:00						
11:00						
12:00						
13:00						
14:00	Biomedical Imaging					
15:00						
16:00						
17:00						
18:00						

Time		Wednesday				
08:00						
09:00						
10:00	Physics and Mathematics of Radiotherapy Planning (University of Zurich)	Qubits, Electrons, Photons				
11:00						
12:00						
13:00						
14:00						
15:00			Image Guided Medical Interventions			
16:00						
17:00						
18:00						

Time		Thursday				
08:00						
09:00						
10:00		Qubits, Electrons, Photons				
11:00						
12:00						
13:00						
14:00						
15:00			Radiobiology			
16:00				Image Analysis and Computer Vision		
17:00	Medical Physics I					
18:00						

Time		Friday				
08:00						
09:00						
10:00						
11:00						
12:00						
13:00	Qubits, Electrons, Photons					
14:00		Physics in Medical Research: From Atoms to Cells				
15:00						
16:00						
17:00						
18:00						

Note: This is an informal help for students. The official courses can be seen on the Course Catalogue of ETH (www.vwz.ethz.ch)
