TRANSDISZIPLINÄRE FORSCHUNG ZUR ENTSORGUNG  
HOCHRADIOAKTIVER ABFÄLLE IN DEUTSCHLAND

Type:  
funded by

Bundesministerium  
für Wirtschaft  
und Energie

VolkswagenStiftung

Niedersächsisches Ministerium  
für Wissenschaft und Kultur

Status: started on 1st October 2019

Team: TdLab, 13 scientific institutes (Germany), 2 consultancies

Pius Krütli

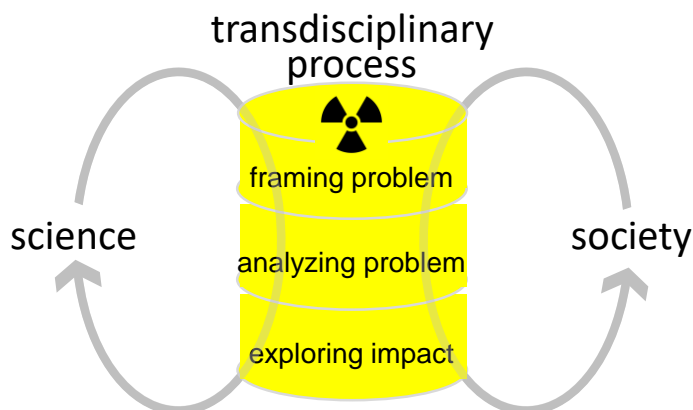

Christian Pohl

Ingo Hölzle

Research field: Deep geological repository for nuclear waste in Germany

Objective: Formation and accompanying research in the TD project „TRANSENS“

Research questions:

Which benefits and limits pose TD for nuclear waste?

Which knowledge is produced by whom and how?

How can we reintegrate this knowledge?
